

SYSTEM INSIGHTS

SAP® Powered by SAP Analytics Cloud and SAP SuccessFactors®
Delivered by GP Strategies®

GP Strategies Insights solutions provide information on the state of your cloud solution, including the status of regular batch jobs, authorizations, and system administrator access privileges, which are all important from a security, administration, and compliance perspective. Built on SAP Analytics Cloud, System Insights has fast time to value with low risk and high value guaranteed—at a fixed price.

The preconfigured package provides access to relevant administrative insights that enable improved system maintenance, increased security, and increased compliance.

Built on SAP Analytics Cloud and integrated with SAP SuccessFactors Employee Central, System Insights offers a rapid implementation timeline with low risk and combined insights that are not available elsewhere. The package reduces the system administrative workload and increases the ability to remain compliant.

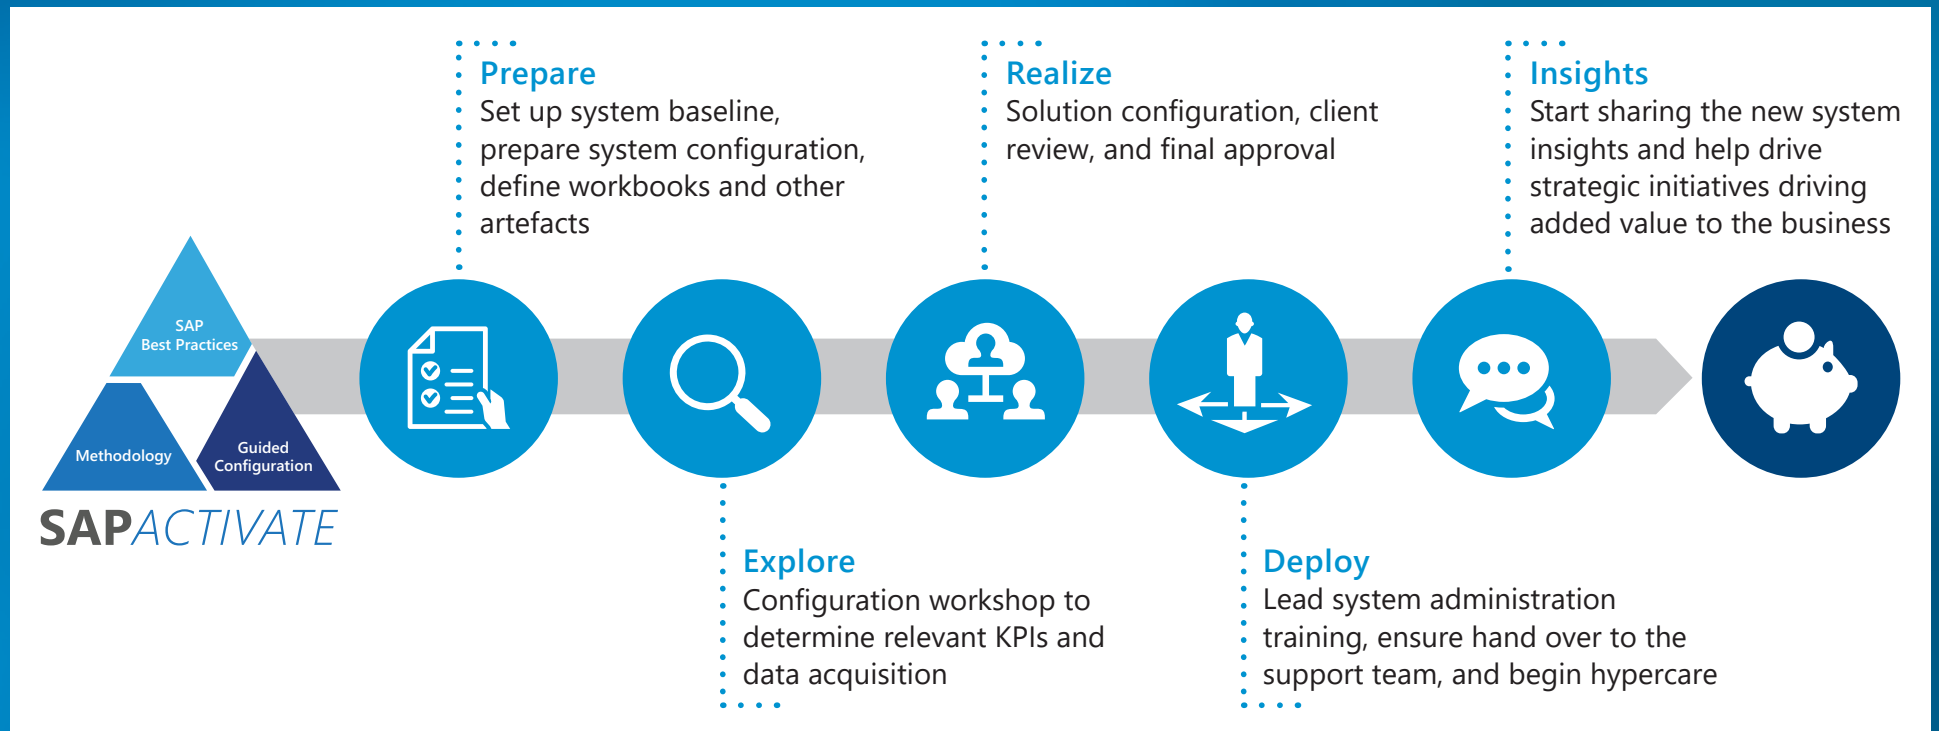

SYSTEM INSIGHTS

System Insights is delivered as a turnkey solution in 3 weeks. The delivery follows SAP Activate methodology. The package includes 8 full days of consulting support, and GP Strategies delivers hypercare support for 2 weeks following go live.

GP Strategies is a veteran in SAP Cloud solutions and has a proud legacy of successful engagements. Read more about our SAP Analytics Cloud services here.
