

# WORKFORCE INSIGHTS

SAP® Powered by SAP Analytics Cloud and SAP SuccessFactors®  
Delivered by GP Strategies®

GP Strategies Insights solutions provide better understanding of what shapes your workforce so you can make better people decisions. The package is SAP Qualified and based on well-defined key performance indicators (KPIs) that make a difference. Built on SAP Analytics Cloud, the Workforce Insights package has fast time to value with low risk and high value guaranteed - at a fixed price.

The preconfigured package supports your organization on your path from tactical reporting to implementing a people analytics strategy that optimizes your business performance.

The Workforce Insights package measures workforce composition, workforce diversity, and voluntary termination by analyzing company structures, regions, job families, part time/full time positions, and others.

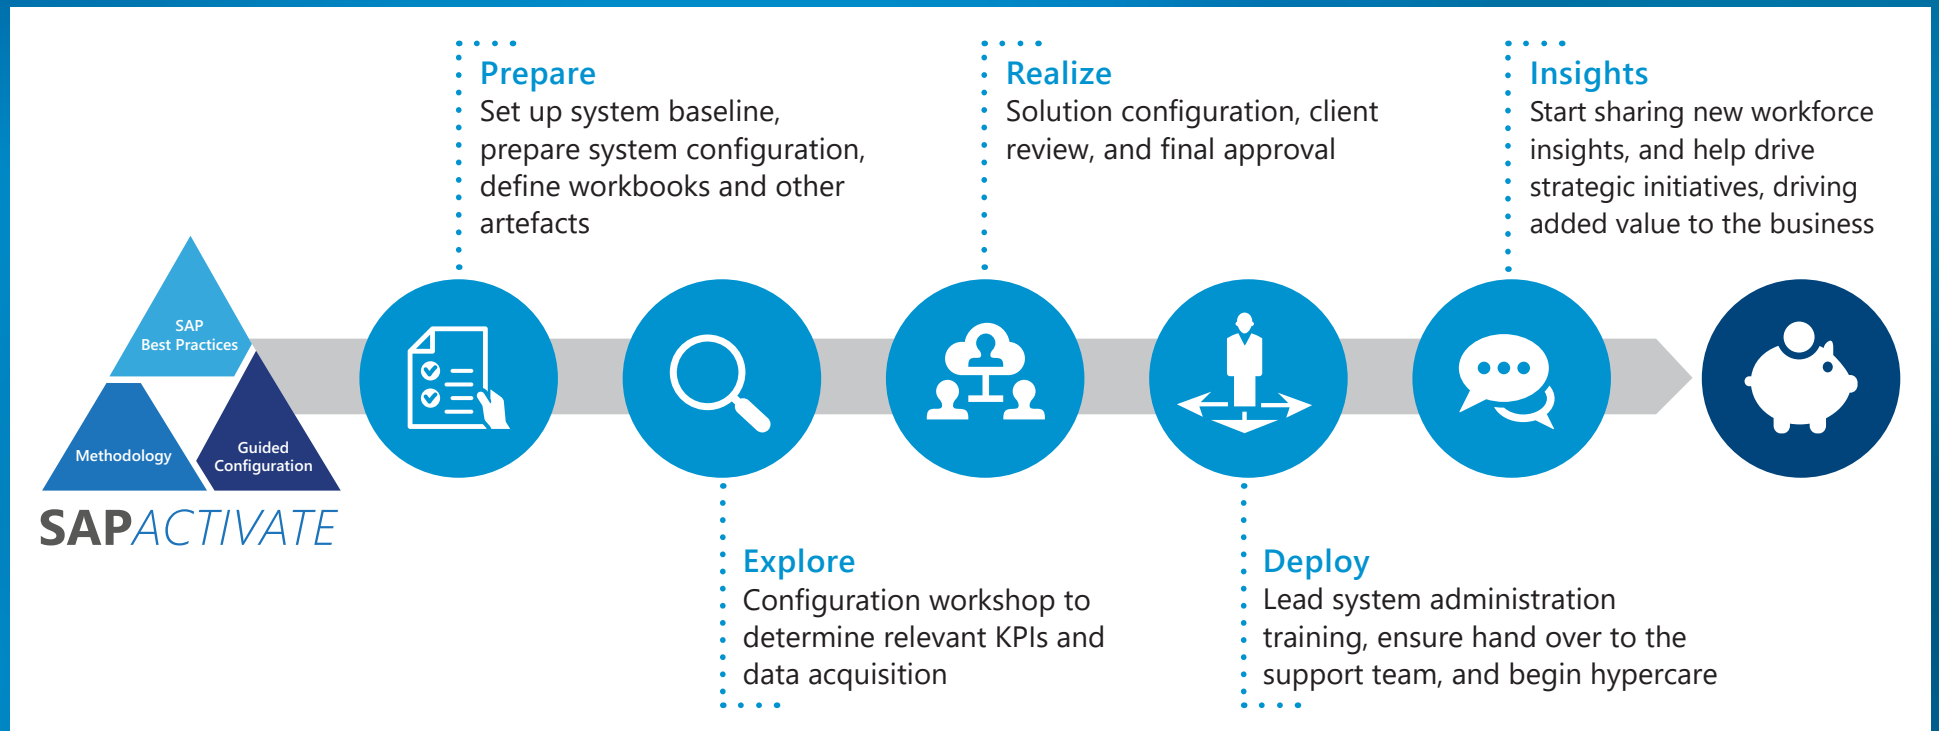

# WORKFORCE INSIGHTS

Workforce Insights is delivered as a turnkey solution in 3 weeks. The delivery follows SAP Activate methodology. The package includes 8 full days of consulting support, and GP Strategies delivers hypercare support for 2 weeks following go live.

GP Strategies is a veteran in SAP Cloud solutions and has a proud legacy of successful engagements. Read more about our SAP Analytics Cloud services here.
